Strip Mining Aragonite

Dear Mr. Park:

We have reviewed a copy of your Plan or Operations for strip mining Aragonite in Millard County. We received a copy of the notice on August 13, 1993.

This project is for surface mining of Aragonite.

It does not appear that the operation as described will have any water quality impacts. No permit from this office is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
